

SUPPORT THE GROTTO TO OUR LADY OF KNOCK BY BECOMING A MOSAIC SPONSOR

A limited number of opportunities exist to be a part of this beautiful creation. The mosaic, hand crafted in Italy of over 225,000 pieces of colored smalti and gold tesserae is a unique interpretation of the Knock apparition, in order to accommodate the beautiful grotto that welcomes and presents the one-of-a-kind sculpted image of Our Lady of Knock. The local townspeople are depicted along with the artists' interpretation of the details of the vision. St. John the Evangelist and St. Joseph appear to Our Lady's left, while on her right are the angels and the lamb of God on the altar. In the distance, the image of the gable wall where she was encountered by the townspeople, which since has been layered with crutches, chain and other devices which are no, longer need by those who have been healed.
